IGCSE AND PEARSON EXAM MAY/JUNE 2024

The Cambridge IGCSE & Pearson examination is a globally recognized assessment. It's offered by Cambridge Assessment International Education, a part of the University of Cambridge. The Cambridge IGCSE & Pearson Exam is respected worldwide and provides students with a globally recognized certificate upon successful completion. This certification can be beneficial for students pursuing further education in different countries.

Successful completion of the Cambridge IGCSE & Pearson Exam lays a strong foundation for further higher qualifications like Foundation, and A-Level, preparing students for more advanced academic challenges. To ensure suitability, test questions are trialled before being used in question papers. After the tests are completed they are sent to us in Cambridge and Pearson for marking. Marks are carefully analysed and a report is produced on each learner's work. The marking process and preparation of the reports take approximately six to eight weeks from receipt of scripts, upon which the results are despatched to the respective schools.
